

**Correction**

**Error in Byline.** In the Original Article by Otteson et al titled “Acute and Chronic Changes in the Subglottis Induced by Graded Carbon Dioxide Laser Injury in the Rabbit Airway,” published in the July 2008 issue of the Archives (2008;134[7]:694-702), the academic degree of one of the authors is incorrect. The author’s name and degree are Gregory M. DiSilvio, BS.
